2026/27

Welcome to VH2 by Vanity Hall.
We are proud to present our latest offering of
bathroom furniture, worktops and ceramics.

VH2
BY VANITY HALL

Beautifully affordable bathroom furniture

Vanity Hall has been manufacturing exemplary bathroom furniture for over 30 years. From our humble beginnings in 1992, to our purpose designed 60,000 sq. ft office suite and manufacturing site, we have continued to maintain our ethos for handcrafted excellence, thanks to our team of highly skilled local craftspeople, some of whom have been with the business since the very beginning.

Through creative design, development and continued investment in the very latest manufacturing processes, every piece of bathroom furniture is handcrafted to the highest exacting standards.

Sustainability is at the heart of everything we do

Made to last

We manufacture our bathroom furniture to last, meaning a longer lifespan, which is better for the environment.

Responsibly sourced materials

We source our raw materials locally and ensure our timber products are responsibly sourced from well-managed forests and other controlled sources.

Reducing waste

All our wood offcuts are used on site as fuel to heat our factory and offices, helping to reduce waste.

VH Hand made in Great Britain

Why choose VH2?

Exceptional quality

Every Vanity Hall customer deserves the best... the best quality of products and the best selection of finishes. Unwavering commitment to traditional English cabinet making and joinery remains evident in every piece of furniture we make.

Made in Great Britain

Traditionally manufactured in the heart of England, our skilled craftspeople require patience, passion and an unrivalled understanding of carpentry. We're proud to be a British manufacturer and endeavour to support other British suppliers and manufacturers. It's why we champion British craftsmanship at every opportunity.

Make it your own

With our comprehensive range of units, sizes and finishes, our furniture can be configured to suit any taste. Choose from a selection of stunning worktop and basin combinations to complement your furniture. And complete the look with handles from our premium handle range.

Finest components

Every unit we make is manufactured to our same exacting standards. As such, products of this calibre require associated leading brands. Lifetime guarantee Blum® components are fitted as standard to all units. We're also justifiably proud to be a partner of the DuPont™ quality network, an accolade which acknowledges and supports only the elite Corian® fabricators in the world.

Please note: This fascia cutting service is only available if the ceramics are purchased from Vanity Hall.

VANITY HALL

TERMS & CONDITIONS

Vanity Hall furniture and worktops are guaranteed for five years from date of purchase invoice. Within this period any fault in product that is as a result of manufacturing defect will be replaced free of charge with a matching item or nearest equivalent.
Any product that is faulty due to not following the Vanity Hall aftercare requirements will be void of guarantee. Vanity Hall is not liable to cover the re-fitting cost of any products, compensation, stolen items or damage claim.

All Vanity Hall products are manufactured to order. Any items that have damage or are missing must be reported within 7 days of delivery to retailer. Any items that are returned to Vanity Hall must be arranged within 21 days of delivery to retailer, and will be subject to a 25% re-stocking fee. Any returned items must be un-opened and in a re-saleable condition.

Bespoke items of furniture and all worktops are non-returnable.

Goods that have been fitted are deemed as being delivered in an acceptable condition. Any damage reported after installation will be classed as installation damage, and replacements will be chargeable.

All products supplied by Vanity Hall are only guaranteed for use in a domestic installation. Any products used in a commercial installation will be void of guarantee.

Any products that are fitted to the floor in a wet-room environment will be void of guarantee.

Any guarantee is limited to the original purchaser of Vanity Hall products. The guarantee is non transferable and does not cover the cost of ex-display items.

Vanity Hall furniture has been designed and manufactured for use in general bathroom installation. It has not been designed for use in areas subject to excessive moisture and continued exposure to direct water contact. All bathroom furniture will deteriorate through prolonged periods of exposure to these situations.

All bathrooms must be adequately ventilated using suitable ventilation such as an open window and an extractor fan. Failure to do this will void guarantee. Products that are installed with direct contact to high levels of water will also void guarantee.

The installation of Vanity Hall furniture and worktops should only be carried out by a qualified bathroom installer and in full accordance to our fitting instructions (these are available via our website).
Any instance of a fault in the fitting of Vanity Hall products that is due to not be installed by a qualified installer or as per our fitting instructions will result in void of guarantee.

A waterproof sealant must be used to protect any raw edges on furniture that has been cut to suit a basin or pipe work. Failure to do this will void guarantee.

We strongly recommend that Vanity Hall furniture is not installed in direct sunlight. Continued exposure to direct sunlight may cause door and drawer fronts to discolour.

Please immediately wipe all excess moisture from Vanity Hall furniture to increase longevity and reduce the risk of water stains over a period of time.

Vanity Hall recommends the use of a duster or damp (not wet) cloth to clean our furniture and worktops. The use of furniture polish or strong cleaning products is likely to remove protective surfaces and void guarantee.

Vanity Hall are part of the DuPont™ Corian® Quality Network partnership. Should you require any restoration to your solid surface worktop Vanity Hall are able to offer care and maintenance products and aftercare services.

All machinery used in the manufacturing of Vanity Hall furniture has a working tolerance of up to a maximum 2mm per unit. Please bare this in mind when ordering a worktop to suit and allow a suitable overhang to any ends (we recommend a minimum of 5mm per end).

All ceramics supplied by Vanity Hall are subject to 2% dimensional tolerance. Any items that are outside of this will be replaced free of charge. Installation must include all fittings supplied and follow the instructions provided. Failure to do this will void guarantee.

All concealed cisterns and WC frames supplied by Vanity Hall are covered by a two year guarantee from Thomas Dudley. Installation must include all fittings supplied and follow the instructions provided. Any faults that arise with Thomas Dudley products can be dealt with directly by the manufacturer.
Please contact 0121 557 5411.

All Basins and WC's supplied by Vanity Hall are subject to a 12 month guarantee.

Due to the printing process required some images shown within this brochure may not be an exact representation of the finished product. Any products will only match a finished sample provided.

All wood finish products in the Vanity Hall Collection are manufactured from real wood, and will vary in shade and detail from piece to piece. It is not possible to match the grain to a sample supplied.

Painted finishes may have small variation in shade when adding or replacing an item to an original order. We strongly recommended providing a sample that we are happy to colour match to in this instance.

Vanity Hall products are only permitted to be sold by authorised retail showroom partners. We reserve the right to remove access and close the account of any company attempting to sell Vanity Hall products via e-commerce.

Our policy is one of continuous improvement and we reserve the right to change the specification and design of any Vanity Hall product without prior notice.

Due to the limitations of the printing process an exact match cannot be guaranteed although every effort is made to ensure the finishes are as close as possible to the finished items.
